Welcome

Welcome to the first addition of The Parents' Place sponsored by The Therapy Place staff. We are very excited about our new clinic website as well as this specialized section just for parents. It is our hope to provide you with information regarding community events, helpful books and articles, clinic in-services, new equipment, home activities, creative parent ideas, and support for some of life's challenges. We welcome your input on topics you would like to see, strategies that have helped your child for things such as riding a bike or going to the dentist, recipes your kids love to eat or play with, or if you have information about upcoming events in your community please pass them on so that we may share them with other parents. Our e-mail address is listed below and we look forward to hearing from you!!

Thank you and welcome to The Parent's Place ! And please note our camp list in this issue.

Parent Tip For The Month

One mom helped her child get changed from his pajamas to his school clothes by throwing his clothes in the dryer a few minutes before waking him up. He is now "toasty" in his pajamas and school clothes. The struggle to get dressed in the morning is now over!!!

Camp Opportunities
